

ZVIERATÁ KERALY – trojzložkové karty

Karty si vytlačte, podlepte kartónom, alebo zalaminujte.

Nastrihajte tak, aby obrázok bol spolu s pomenovaním.

V prvom kroku sa deti zoznamujú so zvieratami a plodinami a ich názvami.

V druhom kroku, keď už sa deti naučili, čo je čo, môžeme karty rozstrihať tak,

že oddelíme názov od obrázka. Deti potom priradujú názvy k obrázkom.
